LECTURE ON SHAKESPEARE.

Frank Keenan Talks to High "Study of Shakespeare" was the sub"Study of Shakespeare" was the subserior of a lecture delivered at the Western High School by Frank Keenan, member of the company now playing "Julius
Caesar" at the Belaseo, resterday afternoon. Mr. Keetian believes that there
are many mintakes made in leaching
Shakespeare in present-day schools. He
said that at the beginning of the course
too misch attention is given to minute
questions of philobory. He said that the
spirit of the story and its treatment
should be impressed upon the student
before any attempt is made to solve
grammatical questions.

Mr. Keenan declared that the proper
way to get a thorough appreciation of
Shakespeare was to make a complete
study of a given play and their to see
it acted by competent nators. Mr. Keenan was introduced by Miss Edith Westcott, principal of the school.
